I just can't get you out of my head

Girl your loving is all I think about

I just can't get you out of my head

Girl it's more than I dare to think about

La la la la la

I just can't get you out of my head

Girl your loving is all I think about

I just can't get you out of my head

Girl it's more than I dare to think about

Every night

Every day

Just to be there in my arms

Won't you stay

Won't you lay

Stay forever and ever and ever

I just can't get you out of my head

Girl your loving is all I think about

I just can't get you out of my head

Girl it's more than I dare to think about

There's a dark secret in me

Don't leave me locked in your heart

Set me free

Feel the need in me

Set me free

Stay forever and ever and ever and ever
