

Tommy Heavenly6, Stay Away From Me

So many clouds coming in my mind
naze wakatte kurenai no?
nemurenai yoru wo oshiete
yatto aeta hazu na noni
onaji kimochi da to omotteta noni
nanka chigau nakisou ni naru
nanigenai kao de
futtobashita KAPUCHI-NO
sameteta kara ii desho!

I hate you!

So many clouds coming in my mind
naze kamatte kurenai no?
nan no you da ka shiranai kedo
watashi dake mite hoshii noni
I want you to know

So...

many clouds coming in my mind
you know Before the storm comes
Stay away from me!

"Look at me!"

many clouds coming in my mind
you know Before the storm comes
Stay away from me!

"Look at me!"

many clouds coming in my mind
watashi dake mite hoshii noni
