It's Only Love

Tommy James and The Shondells

You cant laugh, you cant cry  
Your actin kinda funny and you dont know why  
Cause your heart keeps beatin like a big bass drum  
And the beats gettin strong and its so much fun  
And you keep on singin but the words are wrong  
And you cant stop laughin, baby whats goin on

Its only love, tryin to get trough  
Its only love, tryin to get trough  
Its only love, tryin to get trough

You cant run, you cant hide  
No matter what you do your on a ten cent ride  
Goin up, down baby and its so much fun  
And your heart keeps beatin like a big bass drum  
And the beats gettin strong and it just wont quit  
Better hold on baby, cause you know that

Its only love, tryin to get trough  
Its only love, tryin to get trough  
Its only love, tryin to get trough
