

Tommy James & The Shondells, I Like The Way

It's Only Love

Tommy James and The Shondells

You cant laugh, you cant cry
Your actin kinda funny and you dont know why
Cause your heart keeps beatin like a big bass drum
And the beats gettin strong and its so much fun
And you keep on singin but the words are wrong
And you cant stop laughin, baby whats goin on

Its only love, tryin to get trough
Its only love, tryin to get trough
Its only love, tryin to get trough

You cant run, you cant hide
No matter what you do your on a ten cent ride
Goin up, down baby and its so much fun
And your heart keeps beatin like a big bass drum
And the beats gettin strong and it just wont quit
Better hold on baby, cause you know that

Its only love, tryin to get trough
Its only love, tryin to get trough
Its only love, tryin to get trough
