

Tommy Lee, Love Train

People round the world, join hands,
Start a love train, love train,
People round the world, join hands,
Start a love train, love train.

Next stop that we make, we'll make it soon,
Gonna tell everybody, what we're gonna do,
Climb aboard cuz you got nothing to lose,
If you miss this train i, feel sorry for you.

People round the world, join hands,
Start a love train, love train,
People round the world, join hands,
Start a love train, love train,
People round the world, join hands,
Start a love train, love train,
People round the world, join hands,
Start a love train, love train.

All my friends are talking to you,
Tell everybody that you know,
Dont be afriad to try something new,
If you miss this train i, feel sorry for you.

People round the world, join hands,
Start a love train, love trian,
People round the world, join hands,
Start a love train, love train,
People round the world, join hands,
Start a love train, love train,
People round the world, join hands,
Start a love train, love train

People round the world, join hands,
Start a love train, love trian,
People round the world, join hands,
Start a love train, love train,
People round the world, join hands,
Start a love train, love train,
People round the world, join hands,
Start a love train, love train!
