

# Tommy Page, I'm Falling In Love

I've been searching all my life  
for someone like you  
and I don't believe in love at first sight  
but i know this feelings are true  
and when we're together i want it forever  
It's you I adore  
It goes without saying  
You're what I'm praying for

Chorus:  
I'm falling in love  
My dreams are coming true  
I'm falling in love  
I'm falling, falling for you

Empty space inside been gone ever since we met  
I don't see shadows when your light is on  
With you my life is safe  
And when I'm by your side  
I'm shivering inside  
My heart begins to pound  
I'm feeling, feeling it  
Never felt before  
With you, it's something I fall

Repeat chorus:

And I can see in your eyes  
You're falling for me too (I'm falling for you)  
I like to be with you, till the end of time  
Cause I'm falling for you

Repeat chorus and fade out:
