

Tommy Page, Till The End Of Time

When other hearts have come and gone
Our love will still be going on
Cause I never felt this way, about anyone before
Say the word and I will stay
Holding on to you, forever more because

I'm, I'm gonna love you
I'm gonna love you till the end of time
No, no one above you
Love you till the end of time

Till the end of time, till stars don't shine
You'll be mine, till the end of time

We'll be together, you and I
Just hold my hand, and close your eyes
We were meant for one another
We're so much the same
Just exactly like each other, and that's the way
We'll remain because

I'm, I'm gonna love you
I'm gonna love you till the end of time
No, no one above you
Love you till the end of time

Till the end of time, till stars don't shine
You'll be mine, till the end of time

If I could ride, in a time machine
To a million years from now
When I'd land I'd find us there
Still together somehow

Oh I'm, I'm gonna love you
I'm gonna love you till the end of time
No, no one above you
Love you till the end of time

Oh I'm, I'm gonna love you
I'm gonna love you till the end of time
No, no one above you
Love you till the end of time
