

# Tommy Page, You Are My Heaven

It feels like heaven to be holding you tonight  
I'm in a dream, cause your with me, whoa  
And in your eyes I always find my paradise  
Right by your side, is where I'll stay forever  
All I ever need is you and your arms  
I don't have to look no further baby

Oh, you lift me up, you give me love  
You, are my heaven  
Take me so high, I touch the sky  
Cause you are my  
Heaven baby, heaven baby, heaven baby  
You are my heaven  
Heaven baby, heaven baby, heaven baby

Your every dream I had that somehow has come true  
Oh I can't believe, oh the way I feel, yeah  
I wanna spend forever making love with you  
Till the end of time, sharing this love together  
All I ever want is you by your side  
No one else could love me better baby

Oh, you lift me up, you give me love  
You, are my heaven  
Take me so high, I touch the sky  
Cause you are my  
Heaven baby, heaven baby, heaven baby  
You are my heaven  
Heaven baby, heaven baby, heaven baby  
You lift me up into the sky  
Heaven baby, heaven baby, heaven baby  
You are my, heaven  
Heaven baby, heaven baby, heaven baby

Every time I'm here with you baby  
It's like I'm in, heaven, right here in your arms  
When you touch me, I can fly

Oh, you lift me up, you give me love  
Cause you, are my heaven  
Take me so high, I touch the sky  
Cause you are my  
Heaven baby, heaven baby, heaven baby  
Heaven baby, heaven baby, heaven baby  
You are my heaven  
Heaven baby, heaven baby, heaven baby  
My heaven  
Heaven baby, heaven baby, heaven baby  
You lift me up into the sky  
Heaven baby, heaven baby, heaven baby  
Heaven baby, heaven baby, heaven baby  
Oh, you lift me up, you give me love  
Heaven baby, heaven baby, heaven baby
