

Tones On Tail, Twist

As tomorrow's man and a topless bee
Jump over your head, remember me
Don't get confused by a dying sky and sea

The panda club has an odds on bet
Mr. Music Man needs a string quartet
On the planet where the alphabet starts with Z

Energy and confidence
Buzz high in your consciouness
Don't get confused by an early morning rain

'Cause the panda club has an odds-on bet
Mr. Music Man needs a string quartet
On the planet where the alphabet starts with Z

Man and moon plays a melody
That you can't forget, so remember me
Twist with tomorrow's man and me
