## Tones On Tail, Twist

As tomorrow's man and a topless bee Jump over your head, remember me Don't get confused by a dying sky and sea

The panda club has an odds on bet Mr. Music Man needs a string quartet On the planet where the alphabet starts with Z

Energy and confidence Buzz high in your consciouness Don't get confused by an early morning rain

'Cause the panda club has an odds-on bet Mr. Music Man needs a string quartet On the planet where the alphabet starts with Z

Man and moon plays a melody That you can't forget, so remember me Twist with tomorrow's man and me
