

# Toni Braxton, Christmas In Jamaica Ft. Shaggy (R

Toni Braxton feat. Shaggy  
Christmas in Jamaica

Chorus:

We'll be having fun  
Under golden sun  
Christmas in Jamaica here we come...  
We'll just sail on, just sail...  
Lovers frolickin'  
Playin' in the sand  
Got my Coppertone  
Getting on my tan  
Exotic setting for a  
Lady and her man  
A perfect little holiday  
Sounds like a plan  
We can stay in bed all afternoon  
We can make out to some cool Reggae tunes  
We can sail under the light of the moon  
Wish we could freeze this moment  
then it wouldn't end so soon....

Chorus

Unplug the phones , y'all  
Don't need no calls  
No callin' home  
Take a break from it all...  
'Cause we both grown  
And we can do whatever, see?  
Baby, it's just you and me  
Let's live out a fantasy  
Hiking in the mountains, romantic rendezvous  
Bathing in the fountains, stop-let me look at you  
Just in case you're doubtin', let me paint a view  
Picture you in heaven, everything is true  
Chorus
