

Toni Braxton, Come On Over Here

Where do you go when
You need good lovin'
And how will you know if
Love is very hard to find
How do you say
That you need it everyday
Well if you look my way
You won't be wastin' time
Just come on over here
And I will take care
Of your every need
Cause I've got love to give to you
Just come on over here
And don't you worry dear
Cause I've got more
I've got more than you know what to do with
