

# Tonic, Eyes Of Sand (Version

I reminded someone who thought they knew me  
That I hadn't changed at all  
Wrapped up in a picture perfect package  
That just stands up way too tall

'Cause they see my world...  
Oooh, through the eyes of sand

Surely there are good intentions  
Smiles that we've failed to mention  
Come along their intervention  
Someone let you fell down on your knees

'Cause I see your world...  
Oooh, through the eyes of sand

We fall down down  
From underground  
See the world  
Through eyes of sand

Walking past her  
Baby, you're a h\*art of stone

Walking past her  
Baby, you're a h\*art of stone

You don't know my way home  
You don't know my way home  
You don't know my way home
