

# Tony Bennett, Just In Time

Just in time, I found you just in time  
Before you came, my time was runnin' low  
I was lost, the losin' dice were tossed  
My bridges all were crossed, nowhere to go  
Now you're here and now I know just where I'm goin'  
No more doubt or fear, I found my way  
For love came just in time  
You found me just in time  
And changed my lonely life that lovely day

Mm, I was lost, the losin' dice were tossed  
My bridges all were crossed, nowhere to go  
Now you're here and now I know just where I'm goin'  
No more doubt or fear, I found my way  
For love came just in time  
You found me just in time  
And changed my lonely life that lovely day
