Who can I turn to when nobody needs me?

My heart wants to know and so I must go where destiny leads me

With no star to guide me and no one beside me

I'll go on my way and, after the day, the darkness will hide me

And maybe tomorrow I'll find what I'm after

I'll throw off my sorrow, beg, steal, or borrow my share of laughter

With you I could learn to, with you what a new day

But who can I turn to if you turn away?

With you I could learn to, with you what a new day

But who can I turn to if you turn away?
