

Tony Christie, Happy Birthday Baby

Theres a special day for everyone that comes but once a year and for you my love that day of days

So have a happy birthday baby may all your dreams come true, the way mine have with you, this s

i don't know what i'd do if ever i lost you, i'd have no today no tomorrow. You've made a simple joe

So have a happy birthday baby may all your dreams come true, the way mine have with you, this s

Wear your red dress tonight and we'll dine by candlelight while the band plays those great golden c

So have a happy birthday baby may all your dreams come true, the way mine have with you, this s

happy birthday baby, i wish you happy birthday baby mine(repeat till end)
