

Tony Oller, Could be the one?

I'm taking my time while I cruise the runway
Flying in between of the scenery
It's on,
It's on,
Will it be you, you, you, or you
I'm looking for a heart that's true to come along,
It's on.
Are you gonna be the girl, in that dream, when I close my eyes?
Out of everyone, the best for me?
The one that I'll call mine?
Are you gonna be the one?
The shining star?
The center of my world?
I'm not looking for just any girl...
Could you be the one?
Could you be the one?
Could you be the one?
YEA!
