

# Tony Orlando And Dawn, Candida

The stars won't come out if they know that you're about  
Cause they couldn't match the glow of your eyes  
And, oh, who am I ? Just an ordinary guy  
Tryin hard to win me first prize

Oh my Candida  
We could make it together  
The further from here girl the better  
Where the air is fresh and clean  
Oh my Candida  
Just take my hand and I'll lead ya  
I promise that life will be sweeter  
'Cause it said so in my dreams

The future looks bright, the gypsy told me so last night  
Said she saw our children playing in the sunshine  
And there were you and I in a house, baby, no lie  
And all these things were yours, and they were mine

Oh my Candida  
We could make it together  
The further from here girl the better  
Where the air is fresh and clean  
Oh my Candida  
Just take my hand and I'll lead ya  
I promise that life will be sweeter  
'Cause it said so in my dreams

Oh my Candida  
We could make it together  
The further from here girl the better  
Where the air is fresh and clean  
Oh my Candida  
Just take my hand and I'll lead ya  
I promise that life will be sweeter  
'Cause it said so in my dreams
