Dung inna di ghetto that was where I man originated  
To be a good entertainer that was what I always wanted  
So I want to reach the top and so I decided  
To be more efficient and be more dedicated  
I went amongst nuff entertainer and was disrespected  
'Cause I didn't wear fancy chain and look sophisticated  
De way dem a deal wid me  
them wanted me to get enervated  
Till de most high God him come, I man was uplifted  
Him say, hey Tony Rebel can't you see that you are gifted  
So some a them a hypocrite  
and nuff a dem they are confounded  
But you got to live together with them  
you cannot be separated  
Inna de music business I am loved Jah know I am hated  
Fling a whole heap of style and I man is appreciated

Chorus

Vibes is a thing you know it just can't be injected  
Got to be with you from the moment that you was created  
That's why towards drugs whole heap of entertainer  
they're addicted  
Cannot perform very well unless they're well intoxicated

Now they fling a whole heap a style  
and it cannot be comprehended  
Fling a whole heap of style and it kind of complicated  
That's why inna de music business  
many people are not interested  
It is obvious that this music it was invaded  
We got to come again now and have it diverted  
'Cause that is the only way we know that we can be elevated  
Give the people them a surprise  
and what they did not expected  
Now to do all this you know that time has got to be invested  
That is the only way we know we can be elevated  
These are some speech that is highly selected

Chorus
