Tony Rich, Nobody Knows

I pretended I'm glad you went away
These four walls closin' more every day
And I'm dying inside
And nobody knows it but me
Like a clown I put on a show
The pain is real even if nobody knows
And I'm crying inside
And nobody knows it but me

Why didn't I say
The things I needed to say
How could I let my angel get away
Now my world is just a tumblin' down
I can say it so clearly
But you're nowhere around

The nights are lonely, the days are so sad And I just keep thinkin' about The love that we had And I'm missin' you And nobody knows it but me

I carry a smile when I'm broken in two
And I'm nobody without someone like you
I'm tremblin' inside and nobody knows it but me
I lie awake it's a quarter past three
I'm screamin' at night as if I thought
You'd hear me
Yeah my heart is callin' you
And nobody knows it but me

How blue can I get You could ask my heart But like a jigsaw puzzle it's been torn all apart A million words couldn't say just how I feel A million years from now you know I'll be lovin' you still

The nights are lonely, the days are so sad And I just keep thinkin' about The love that we had And I'm missin' you And nobody knows it but me

Tomorrow mornin' I'm hitting the dusty road Gonna find you wherever, ever you might go I'm gonna unload my heart and hope you come back to me Said when the nights are lonely...

The nights are lonely, the days are so sad And I just keep thinkin' about The love that we had And I'm missin' you And nobody knows it but me
