

# Too Bad Eugene, Condolences

Hhey there, boy  
wipe your tears away  
make no noise  
there's nothing left to say  
i'm so sorry tihs happened to you  
is there anything i can do?  
you're so lucky if you find one  
and you had it all but now she's gone

i'm so sorry this happened to you

take some time  
cast this world away  
ease your mind  
the pain will not go quickly  
one woman, you were her man  
she held your life in her hand  
all that's left in her place is sorrow  
why do all good things have to go?

i'm so sorry this happened to you

i'm feeling for you  
what you're going through, it's more than i could bear  
there's nothing i could say to take the pain away  
so i'll just say goodnight  
i've no more to tell you

hey there, boy  
wipe your tears away  
take some joy  
you'll see her again someday  
you'll see her someday
