

Too Bad Eugene, Wedding Story

fourteen and fifteen: teenage puppy lovers
nobody thought we could succeed
high school kind and queen
one day honeymooners
we knew we could if we believed

we believed in love
in this life it's so nice to have someone
to need, to love

and you're the only one i'm thinking of
winter turned to spring
wedding bells were ringing
that day took our whole lives to come
we gave each other rings
knowing well the meaning
'cause we knew where our love came from

we believed in love
in this life it's so nice to have someone
to need, to love

and i never had a regret since we said
our vows of life commitment and no, i won't rescind
our love will never cease as long as we...

we believed in love
in this life it's so nice to have someone
to need, to love
