

# Too Short, Can I Get A Bitch

(Ant Banks)

Its been a long time kickin this and everybody knows it  
Oaktown still in the house, but I suppose its  
Time for some more shit  
So yo peep the flow bitch and I'll be  
the motherf\*\*kin host with the most dick  
So now you know it ain't a damn thang changed up  
Stayin true to the streets since we came up  
So blame us for givin you the game plus  
Much bass now the name is just Dangerous  
So here we go, its time for some new shit  
From 94 to 95 we can do this  
So nigga just love this with no playa hation  
Cause we gets respect all over the nation  
Still in this to win this so you can pretend this  
Beat this like my dick in yo mouth, until I'm finished  
The shit goes on and on and on  
But when you gets no promotion  
That ass is gone  
In the studio all day puttin in work  
Hoes didn't give a f\*\*k and man that shit hurts  
Used and abused no pain no gain  
Sure them hoes tried to play us, but we still in the game

(Short Dawg)

Still in the game, after all these years  
Been bumpin so long I can hardly hear  
Still got the same flow that I used to have  
You can clown if you want, but don't do it too fast  
Cause I'm gone slow it way down, than shoot your ass  
And send you wanna be pimps, back to class  
Cause Ant Banks been making these beats too long  
You trying to get with these funky songs  
But the formulas patented, we ain't havin it  
Game is all we spit  
Keep on mackin bitch  
You can't make it hard  
Can't tell a motherf\*\*ker how to play this part  
Call me Short Dawg baby of the Dangerous Crew  
Talkin on the Mobil Ant Banks came through  
Ridin in a brand new Benz  
A nigga like that might have a few ends  
No shit bitch, stupid hoe  
You spent your last 10 years in the studio  
We ain't no punks  
We can't be played  
Still in the game, still gettin paid

You know we got all the hoes  
More hoes than Swiss cheese nigga  
Ant Banks you wanna hoe, you wanna bitch?

Chorus:

Well can I get a bitch (bitch)  
Nigga can I get a bitch (bitch)  
\$hort give me a bitch (bitch)  
Banks jump yo fat ass in the mix

(Ant Banks)

Yeah the shit gets hectic, but you gots to accept it  
10 years chillin in the game, well respected  
But check this, some niggaz don't give a f\*\*k

Never be givin us props, see we don't stop cause we don't give a f\*\*k  
We gets paid, so tell me what a nigga know  
We hit him low with the bass, than we get more  
Number one album, so where the f\*\*k you at?  
Doing sit-ups, stay off my dick still tryin to rap  
Damn, we never ballin out of control  
We open doors for the motherf\*\*kin O  
Now lets roll  
Everybody up cause we all got to get it  
And when you get your motherf\*\*kin chance nigga spit it  
So listen to what I'm tellin G, come with the melody  
Or keep yo skin tight so you can have longetivity  
Like the Bad Ass, shit I had to earn that name  
Some love it some hate it, but I'm still in the game

### Chorus

(Short Dawg)

Young nigga in the fifth grade, stealin cigarettes  
At ten years old, he was a real vet  
Sellin gold weed, makin money like a star  
Wasn't old enough to drive, but I still bought a car  
Ten years later, he was sellin coke  
F\*\*k with the nigga he was killin folks  
Had to do a couple of niggas or he would've caught the crome  
Hopped on the plane, straight got gone  
10 years on the run, still in the game  
Bounce back through the town ain't nothin change  
Caught a murder beef, but the shit was weak  
Charges got dropped in less than two weeks  
Nigga went through alot, but his bnk is fat  
Tried to catch him up with them wiretaps  
But that snitch thean told  
Its simple and plain  
You can clown all you want, but we still in the game

Somebody say bitch (bitch)  
Somebody say bitch (bitch)  
Somebody say bitch bitch (bitch bitch)  
Now let me hear y'all scream (hooo)  
Scream (hooo)  
Ant Banks and Short Dawg in the house fool and we mackin
