Tool, Forty Six And 2

Join in my.. join in my child And listen.. digging through my old numb shadow

Shadow's shedding skin, I've been picking scabs again I'm down digging through my old muscles looking for a clue I've been crawling on my belly clearing out what could've been I've been wallowing in my own confused insecure delusions For a piece to cross me over or a word to guide me in I wanna feel the changes coming down I wanna know what I've been hiding

In my shadow
My shadow
Change is coming through my shadow
My shadow shedding skin
I've been picking my scabs again

Join in my.. join in my child Shadow's closer to meaning

I've been crawling on my belly clearing out what could've been I've been wallowing in my own chaotic insecure delusions I wanna feel the change consume me, feel the outside turning in I wanna feel the metamorphosis and cleansing I've endured

In my shadow My shadow Change is coming Now is my time

Listen to my muscle memory Contemplate what I've been clinging to Forty six and two ahead of me

I choose to live and to grow
Take and give and to move
Learn and love and to cry
Kill and die and to be
Paranoid and to lie
Hate and fear and to do
What it takes to move through

I choose to live and to lie Kill and give and to die Learn and love and to do What it takes to step through

See my shadow changing
Stretching up and over me
Soften this old armor
Hoping I can clear the way by
Stepping through my shadow
Coming out the other side
Step into the shadow
Forty six and two just ahead of me
