

Tori Amos, Angie

Angie, Angie
When will those clouds all disappear?
Angie, Angie
Where will it lead us from here?
With no lovin in our souls
And no money in our coats
You can't say we're satisfied
Oh, Angie, Oh Angie
You can't say we never tried
Angie, you're beautiful
But ain't it time we said good-bye?
All the dreams we held so close
Seemed to all go up in smoke now
Let me whisper in your ear
Angie, Angie
Where will it lead us from here?
With no loving in our souls
And no money in our coats
You can't say we're satisfied
Oh Angie,
I still love you, baby
Everywhere I look
I see your eyes
There's not another other woman that comes close to you
Dry those tears from your eyes
Eyes
Hey Angie, Angie
You can't say we never tried
Angie
I still love you
Ain't it time we said good-bye?
