

# Tori Amos, Flavor

Battle of the minds  
cries Below cries Above  
You must pick a side  
Will you choose fear?  
Will you choose love?

What does it look like,  
this orbital ball from the fringes of The Milky Way?  
What does it feel like,  
this orbital ball on the fringes of The Milky Way?  
Raining flavor  
Icing flavor  
flavor love

Whose God then is God?  
They all want jurisdiction  
In the Book of Earth  
whose God spread fear?  
Spread love?

And what does it look like,  
this orbital ball from the fringes of The Milky Way?  
What does it feel like,  
this orbital ball from the fringes of The Milky Way?  
Raining Flavor  
Icing Flavor  
flavor love  
Turn up the frequency  
What does it look like,  
this orbital ball from the fringes of The Milky Way?  
What does it feel like,  
this orbital ball from the fringes of The Milky Way?  
Raining flavor  
Icing flavor  
Spread that flavor
