

Tori Amos, Northern Lad

Had a northern lad
Well not exactly had
He moved like the sunset
God who painted that
First he love my accent
How his knees could bend
I thought we'd be ok
Me and my molasses
But I feel something is wrong
But I fell this cake just isn't done
Don't say that you Don't
And if you could see me now
Said if you could see me now
Girls you've got to know
When it's time to turn the page
When you're only wet
Because of the rain
He don't show much these days
It's gets so fucking cold
I loved his secret places
But I can't go anymore
"you change like sugar cane"
Says me northern lad
I guess you go too far
When pianos try to be guitars
I feel the west in you
And I feel it falling apart too
Don't say that you Don't
And if you could see me now
Said if you could see me now
Girls you've got to know
When it's time to turn the page
When you're only wet
Because of the rain
When you're only wet
Because of the rain
