

Tori Amos, Not The Red Baron

Not the Red Baron
Not Charlie Brown
Think I got the message figured
Another pilot down
And are their devils with halos
In beautiful capes
Taking them into the flames

Not Judy G
Not Jean Jean with a hallowed
Heart
I see that screen go
Down in the flames
With every step with every beautiful heel
Pointed

Not the Red Baron I'm sure
Not Charlie's wonderful dog
Not anyone I really know
Just another pilot down
Maybe I'll just sing him a last
Little sound many there know some girls
With red ribbons
The prettiest
Red
Ribbons
