

# Tori Amos, Raspberry Swirl(Lip Gloss Version)

he-he-he-hey Let's go!  
I am not your senorita  
I am not from your tribe  
In the garden, in the garden  
I did no crime  
I am not your senorita  
I am not from your tribe  
If you want inside her well  
Boy you'd better make her raspeberry swirl  
Things are getting desper-ate (desper-ate)  
When all the boys can't be men (can't be men)  
Everybody knows  
I'm her friend (i'm her friend)  
Everybody knows  
I'm her man  
Things are getting desper-ate (desper-ate)  
When all the boys can't be men (can't be men)  
Everybody knows  
I'm her friend (i'm her friend)  
Everybody knows  
I'm her man  
he-he-hey Let's go!  
I am not your seniorita

In the garden, in the garden

If you want inside her well
