

Tori Amos, Ring My Bell

i'm glad you're home
i bet you really missed me
i guess you did by the look in your eye
lay back and relax
i put away the dishes
then you and me can rock-a-bye
you can ring my bell
ring my bell
you can ring my bell
ring my bell
the night is young
and full of possibilities
come on and let yourself be yourself
my love for you so long i've been saving
tonight was made for me and you
you can ring my bell
ring my bell
you can ring my bell
ring my bell
anything you like
come on, yeah
i'm getting over my falling clover
there was a time, i said to you
there was a time, i said to you
when i'm with him, do it to you
do it to you, do it, you know
you can ring my bell
ring my bell
