

# Total, No One Else (Puffy Daddy Remix)

There you are lookin at me  
tellin me what you want moco

it could be everything  
that your heart desires  
all you gotta do is stick around for a while

Theres so many things that i wanna do  
Take you all around it's all up to you  
If you take my hand and just follow me  
Theres no tellin what we can be  
Just you and me

(Chorus)  
I don't need no one else but you  
Tell me what you want me to do  
I don't need no one else but you  
You gotta believe me  
Cuz what i say is true

Could you be all that i need  
Show me what i need to see  
If it all right with you tell me now baby  
We can take this all the way just tell me how

Theres so many things that i wanna do  
Take you all around it's all up to you  
If you take my hand and just follow me  
Theres no tellin what we can be  
Just you and me

(Chorus)  
I don't need no one else but you  
Tell me what you want me to do  
I don't need no one else but you  
You gotta believe me  
Cuz what i say is true

Whoa now just take ya time  
I'll understand just tell me why  
If it's alrite with you  
I'll let you lead the way  
No need to wait baby don't hesitate
