

# Total, Spend Some Time

Chorus:

Baby can we spend some time,  
But if only for one night,  
I wanna be together, I wanna be with you.  
(repeat x2)

Verse one:

All of my days and nights,  
I spend dreaming of us together.  
I never realised how much of my time,  
Goes to thinking of you,  
You're all that's on my mind.

Repeat chorus

Verse two:

I wanna talk to you,

About the things that we can do,  
Is that alright with you?  
Can we work this out,  
I need to be sure,  
That you understand what love is all about.

Repeat chorus

Bridge:

All my days, and all my nights,  
I wanna be with you tonight.  
Baby can we spend some time,  
I wanna be with you  
(repeat x2)

Repeat chorus and bridge to fade
