

Total, What About Us?

(featuring Timbaland & Missy Elliott)

Verse One:

Baby, I seen you with another lady,
I just finished having your baby,
Why'd you have to go, go and leave me?
Baby, you know I'm about to be swazy,
I can't stand my lover being shady,
Why'd you have to go, go and leave me?

Chorus One:

What about you?
What about me?
What about us?
What we gon' do?
Total help me sing, Total help me sing.
What about you?
What about me?
What about us?
What we gon' do?
Hmmm, hey, hey, hey, hey, hey-ayy.

Verse Two:

Baby, I know that you've been pimpin',
Mister baller, trickin',
Why you have to go, go and leave me?
Baby, I always been your baby,
Love make a girl go crazy,
I can't understand why you left me...uum-hmm.

Chorus Two:

What about me?
What about you?
What about us?
What we gon' do?
Total help me sing.
What about me?
What about you?
What about us?
What we gon' do?
What we gon' do?
What we gon' do?

Rap by Timbaland:

Ridin' through the hood with this little fly somethin',
Ho's wanna buy some, playa haters got high from,
Can't go nowhere with my lady,
Brothers actin' shady, baby pass me my 380.
We chillin' in the precious white sands,
Baby here's the plan, chartered plane to Amsterdam,
And we can spend a whole bunch of Francs,
Hook a little dance, listenin' to Total sang.
