

# Toto, Can't Stand It Any Longer

Standin' on thin ice  
Walkin' on a fine line  
Never seem to buy, enough for you  
If you're lookin' for a way out  
Then you're headed for the right place  
Givin' up is something I can't do

Ooh you got sharp claws  
Always got your back up  
Venom in your eyes, and blood so blue  
Hangin' on a black tie  
Sippin' on a half shell  
Holdin' all the cards, and a joker too

[Bridge:]  
You should have told me sooner  
I would have let you go  
Now you're driving me crazy

I can't stand it any longer  
When you pay the price for freedom  
It ain't wrong girl  
I can't stand it any longer

Dancin' on hot coals  
Playin' with a live wire  
Sneakin' out the back door, you're so cool  
If you really wanna move on  
Then there's nothing left to say  
Here's a ticket for the bus stop  
I'm no fool

[Bridge:]  
You should have told me sooner  
I would have let you go  
Now you're driving me crazy

I can't stand it any longer  
When you pay the price for freedom  
It ain't wrong girl  
I can't stand it any longer

[Instrumental brake]

I can't stand it any longer (I can't take it anymore)  
When you pay the price for freedom  
It ain't wrong girl  
I can't stand it, I can't stand it, I can't stand it any longer

I can't stand it any longer (I can't take it anymore)  
When you pay the price for freedom  
It ain't wrong girl  
I can't stand it anymore  
I can't take this anymore no
