

Tove Styrke, Say My Name

Say My Name
Wear it out
Like a sweater
Cause I can't get enough
When you
Say My Name
Spill it out
Like a drink you should have skipped
You're the one
I wanna get
When you

Say My Name
Let it troll
Let it roll
Of your tongue
Let me know
Let me know
What you want
Wear it up
Like a sweater
That you love
Cause I can't get enough
When you
Say My Name
Say My Name
