

Tower, The Swan Princess

Silent is my free
Death is my slave
Love is my eyes
You are my love
I saw you like a summer dreams
I think it's time for you
to come inside
Follow the sound of my heartbeat now
The sun is just a ball of desire
I wanna take you into the fire
Somedays I'll pray for silent
Silent...
I'm love in you my Princess
I'm love in you my Princess
I'm love in you my Princess
I'm love in you my Princess
