

# Toy Dolls, Queen Alexandra Road Is Where She

She was at a party I was stuck at home  
I was not invited so she went on her own  
I will not be long now this is what she said  
I'm stood waiting for her I must be off my head

[Chorus:]

Queen Alexandra Road is where she said she'd be  
But was she there to meet me? No chance.  
I was going to land her a thump when I see her you see  
She's forgotten about me.

It was well past midnight she still dug the groove  
I just stood there freezing I couldn't even move  
She will soon get sick now want to go back home  
There was no sign of her I should have known

[Chorus]

Oh riganortis set in, I was a block of ice  
I'de even missed the late film starring Vincent Price  
Two o'clock she turned up, have you been waiting long?  
She looked into my eyes sweetly, I said not that long...
