

# Toy Dolls, Stay Mellow

Things do go wrong, it's not long since I've been blue,  
But I know the remedy, I can see just what to do...  
Don't be a coward, don't be yellow,  
It always pays to be mellow,  
Stay cool, stay free and then you will see,  
It's best to stay mellow...  
I was upset and in debt with no money,  
But I did not stay sad, it's not that bad, so remember...  
Oh if you are down in the town with no bus fare,  
Start walking and smile, in a while you'll be back home...
