

# Trace Adkins, Every Light In The House

I told you I'd leave a light on  
In case you ever wanted to come back home  
You smiled and said you appreciate the gesture  
I took your every word to heart  
'Cause I can't stand us being apart  
And just to show how much I really miss ya  
Every light in the house is on  
The backyard's bright as the crack of dawn  
The front walk looks like runway lights  
It's kinda like noon in the dead of night  
Every light in the house is on  
Just in case you ever do get tired of being gone  
Every light in the house is on  
If I should ever start forgetting  
I'll turn the lights off one by one  
So you can see that I agree it's over  
But until then I want you to know  
If you look south, you'll see a glow  
That's me waiting at home each night to hold ya  
Every light in the house is on  
The backyard's bright as the crack of dawn  
The front walk looks like runway lights  
It's kinda like noon in the dead of night  
Every light in the house is on  
Just in case you ever do get tired of being gone  
Every light in the house is on
