

# Trace Adkins, I Can't Outrun You

Ninety-five down the interstate  
Mile high on a jet plane  
Desert road or a downtown train  
It's all the same  
I can't outrun you  
Now I can move to another town  
And nobody to ask where you are now  
LA or Mexico  
No matter where I go  
I can't outrun you  
You're in my heart  
You're in my mind  
Everywhere ahead  
Everywhere behind  
Every turn I take  
You're right around the bend  
It's like your ghost is chasing me  
When I'm awake  
When I'm asleep  
There's a part of you in every part of me  
And I can't outrun you  
I can't outrun you  
Now I've had chances with a girl or two  
But all I ever saw was you  
Holdin' my hand  
Kissin' my face  
I guess some pictures never fade  
You're in my heart  
You're in my mind  
Everywhere ahead  
Everywhere behind  
Every turn I take  
You're right around the bend  
It's like your ghost is chasing me  
When I'm awake  
When I'm asleep  
There's a part of you  
In every part of me  
I can't outrun you. No.  
I can't outrun you. No.  
I can't outrun  
Thought there might just come a time  
Wouldn't regret tellin' you goodbye  
But lookin' back  
Should'a realized  
I can't outrun you  
I can't outrun you  
I can't outrun you
