Trace Adkins, I'm Payin For It Now

Well, I never really did anything wrong
But I guess I didn't do much right
It caught me off guard when I got home
And you weren't here tonight
Your note says I'm gonna be sorry
And that one of these days I'm gonna pay...well

You don't know what you're talking about You think you've got it all figured out Well I hate to be the one to break it to you But when you said someday that I would pay for lettin' you down You were wrong Cause I'm payin' for it now

Well I really didn't think I could hurt anymore 'Til you called me on the phone You said you didn't want to talk,just had to be sure That I didn't miss your note Well, I think it's around here somewhere And oh, baby, by the way

You don't know what you're talking about You think you've got it all figured out Well I hate to be the one to break it to you But when you said someday that I would pay for lettin' you down You were wrong Cause I'm payin' for it now

Girl when you said someday
That I would pay for lettin' you down
You were wrong
'Cause, I'm payin' for it now
Oh, I'm payin' for it now
Trust me I'm payin' for it now
