

# Trace Adkins, Untamed

I like to be a little wild  
I like to raise a little Cain  
I wanna keep it on the edge  
Let my restless heart remain  
Untamed

[Chorus]

I'm gonna live the way i love  
And love the way i live  
Walk the highest wire  
And stay out on the limb  
Away from any fences  
Free of any chains  
Unbound, untied, untamed  
I only want what i've got coming  
I'll take the credit and the blame  
Even when im bent and broken  
I pray my spirit always stays  
Untamed

[Repeat chorus]

I take no map  
I make no plans  
I've let go of the reins  
I have no rules  
I feel no fear  
No restraints  
Untamed  
Away from any fences  
Free of any chains  
Unbound, untied, untamed
