

Tracey Ullman, They Don't Know

You've been around for such a long time now
Oh, maybe I could leave you but I don't know how
And why should I be lonely every night
When I can be with you, oh yes, you make it right
And I don't listen to the guys who say
That you're bad for me and I should turn you away

'Cause they don't know about us
And they've never heard of love

I get a feeling when I look at you
Wherever you go now, I wanna be there too
They say we're crazy but I just don't care
And if they keep on talking, still they get nowhere
So I don't mind if they don't understand
When I look at you and you hold my hand

'Cause they don't know about us
And they've never heard of love

(Do do-do-do)
Why should it matter to us if they don't approve
(Do do-do-do)
We should just take our chances while we've got nothin' to lose

Baby

There's no need for living in the past
Now I've found a love, I'm gonna make it last
I tell the others, don't bother me
'Cause when they look at you they don't see what I see
No I don't listen to their wasted lines
Got my eyes wide open and I see the signs

'Cause they don't know about us
And they've never heard of love

No I don't listen to their wasted lines
Got my eyes wide open and I see the signs

'Cause they don't know about us
And they've never heard of love
