Tracey Ullman, They Don't Know

You've been around for such a long time now Oh, maybe I could leave you but I don't know how And why should I be lonely every night When I can be with you, oh yes, you make it right And I don't listen to the guys who say That you're bad for me and I should turn you away

'Cause they don't know about us And they've never heard of love

I get a feeling when I look at you Wherever you go now, I wanna be there too They say we're crazy but I just don't care And if they keep on talking, still they get nowhere So I don't mind if they don't understand When I look at you and you hold my hand

'Cause they don't know about us And they've never heard of love

(Do do-do-do) Why should it matter to us if they don't approve (Do do-do-do) We should just take our chances while we've got nothin' to lose

Baby

There's no need for living in the past Now I've found a love, I'm gonna make it last I tell the others, don't bother me 'Cause when they look at you they don't see what I see No I don't listen to their wasted lines Got my eyes wide open and I see the signs

'Cause they don't know about us And they've never heard of love

No I don't listen to their wasted lines Got my eyes wide open and I see the signs

'Cause they don't know about us And they've never heard of love
