

# Tracie Spencer, Nothing's Broken But My Heart

I've been over you  
For some time now, baby  
I don't miss your kiss  
Like before now  
Anymore now

If you ask me how I'm doin'  
I'm fine  
All I needed was a little time  
So if you think that I'll still need yah, baby  
I really don't know why

Oh baby  
Since you left me  
I think that my world's been torn apart  
But if you see me  
Baby, you'll see that nothing's broken  
Nothing's broken but my heart

You won't see no tears  
In my eyes now, baby  
If you think I'm sad that you're gone now  
Then you're wrong now

If you ask, I'll say I'm happy, I'm free  
Tell yah that's the way I wanna be  
And all those nights we shared together, baby  
Well, they don't mean a thing

My baby  
Since you left me  
I think that my world's been torn apart  
But if you see me  
Baby, you'll see that nothing's broken  
Nothing's broken but my heart  
(Repeat to end)
