Tracie Spencer, Nothing's Broken But My Heart

I've been over you For some time now, baby I don't miss your kiss Like before now Anymore now

If you ask me how I'm doin'
I'm fine
All I needed was a little time
So if you think that I'll still need yah, baby
I really don't know why

Oh baby Since you left me I think that my world's been torn apart But if you see me Baby, you'll see that nothing's broken Nothing's broken but my heart

You won't see no tears In my eyes now, baby If you think I'm sad that you're gone now Then you're wrong now

If you ask, I'll say I'm happy, I'm free Tell yah that's the way I wanna be And all those nights we shared together, baby Well, they don't mean a thing

My baby
Since you left me
I think that my world's been torn apart
But if you see me
Baby, you'll see that nothing's broken
Nothing's broken but my heart
(Repeat to end)
