

# Tracy Byrd, Ain't It Just Like A Woman

(Jeffrey Steele/Al Anderson)

When it rains it pours  
And man it's really comin' down

Feels like the weight of the whole world  
Knocked me to the ground

And that's when she takes me in  
And gives me shelter from the storm  
Where I'm safe and warm  
Lost in her arms  
Nothin's wrong anymore

Ain't it just like a woman to know when  
A man needs to be loved

Life's a race I'll never win  
It's enough to drive me crazy  
And when the walls start closing in  
It never fails to amaze me

How one little touch  
Or a twinkle in her eye  
Brings me to life  
Yeah, she knows the way  
To make it alright

Ain't it just like a woman to know when  
A man needs to be loved

That's when she takes me in  
And gives me shelter from the storm  
Where I'm safe and warm  
Lost in her arms  
Nothin's wrong anymore

Ain't it just like a woman to know when  
A man needs to be loved

Ain't it just like a woman to know when  
A man needs to be loved
