

Tracy Byrd, Back In The Swing Of Things

(Vern Gosdin/Dean Dillon/Buddy Cannon)

Well I was really feeling down
I'd really been uptight
About to lose my mind
When I came in here tonight
Things have turned around
Since they turned the jukebox on
I laid my money down
And somebody played my song

And I'm back in the swing of things
An amazing change takes place
When I hear them twin fiddles play
Oh there's a difference of daylight
And dark in my heart over music
Chases my blues away
When those playboys are playing
I'm feeling no pain
I'm back in the swing of things
I'm back in the swing of things

Say would you like to dance
And join me in the fun
Here's your one big chance
'Cause the night is almost done
Girl can you believe
How good it makes you feel
I have to pinch myself sometimes
To find out if it's real

And I'm back in the swing of things
An amazing change takes place
When I hear them twin fiddles play
Oh there's a difference of daylight
And dark in my heart over music
Chases my blues away
When those playboys are playing
I'm feeling no pain
I'm back in the swing of things
I'm back in the swing of things
I'm back in the swing
I'm back in the swing of things
