

# Tracy Byrd, Good Way To Get On My Bad Side

(George Teren/Rivers Rutherford)

Little lady standin' next to me, isn't she a pretty thing  
I'm the one that put that ring on her left hand  
Another fella can tip his hat, and I'm as gentle as a pussy cat  
But let it go much further than that and he's a dead man  
Chorus: Cause that's a good way, that's a real good way  
That's a good way to get on my bad side  
Politician on my TV, says he's only lookin' out for me  
Says he knows what the poor man needs in the long run  
But every year he gives himself a raise, gets a chunk with every buck I make  
Now he's talkin' like he wants to take my shot gun, no

That's a good way, that's a real good way  
That's a good way to get on my bad side

Ain't lookin' for no trouble, don't wanna start no fight  
Don't want more than I got comin', only wanna do what's right  
Just treat me like I treat you, and we'll get along just fine  
But Mister take one step across that line

That's a good way, that's a real good way  
That's a good way to get on my bad side

I like Van Halen and I like George Jones  
Charlie Daniels and the Rollin' Stones  
Bocephus when he rocks and rolls still kills me  
There oughtta be a law against cowboy rap, (you're right)  
And all that boy band crap, a little sissy in a cowboy hat in country  
No

That's a good way, that's a real good way  
That's a good way to get on my bad side

That's a good way, that's a real good way  
That's a good way to get on my bad side

That's a good way, that's a real good way  
That's a good way to get on my bad side
