Tracy Chapman, Let It Rain

Let it rain As I walk these streets unknown To no one named Not even myself When Im low

Give me hope That help is coming When I need it most Give me hope That help is coming When I need it most

Let it go No mother no father no home Forget as all others Have forgotten When Im alone

But give me hope That help is coming When I need it most Give me hope That help is coming When I need it most

Let it come Love that lifts me up Pain that brings me down Everything Id ever want and dont When Im not strong

But give me hope That help is coming When I need it most Give me hope That help is coming When I need it most

Let it rain Let it flood these streets and wash me away To where it makes no difference who I am Or what the future holds When I dont know

But give me hope That help is coming When I need it most Give me hope That help is coming When I need it most
